Dear Parents and Guardians,

My name is Leanne Zanon and I am a student teacher from the University of Victoria. I am completing my Bachelor of Education this semester at Victoria High School, where I will be teaching both Art Foundations and Social Studies.

I look forward to working with your student, along side the expertise of Ms. Albers, one of Vic High's most respected and accomplished educators. I also look forward to meeting and working with you to ensure that your student has the most enriched and comprehensive experience possible.

I would like to take this opportunity to also inform you about lesson materials and technologies that will be used in the classroom. I am creating a website both you and your child are able to utilize as part of their educational experience. I believe it is a useful tool, as it houses lesson activities, worksheets, homework information, and more! We will also be using other multimedia as a part of the learning process. This will include film that may contain graphic imagery and language. I believe that this is an important inclusion to history as it helps students cognitively and emotionally connect to historical characters and events. The first film we will be watching is *Passchendaele*, a film unique in its representation of the Canadian experience in World War I.

If you should ever have any questions, comments or concerns, please do not hesitate to contact me.

Sincerely,

Ms. Zanon
